EXCELLENT REPUTATION

CAIS was founded by Kowloon Tong Church of the Chinese Christian and Missionary Alliance that has close to 30 years of experience in international education with a strong track record of success

Cultivating next generations of innovators and changemakers, through a Christian-based education

A candidate school for the International Baccalaureate (IB), Christian Alliance International School (CAIS) offers the Alberta curriculum – one of the best learning systems in the world – and prides itself on providing a unique transformative educational experience for children aged from 5 to 17 at its preparatory, lower and upper primary and secondary sections.

Helmed by Richard Vanderpyl, CAIS sits just a stone's throw away from the business district in Lai Chi Kok. Vanderpyl is championing the vision of the school with a diverse faculty, empowering students to make a positive impact on society for the benefit of others through Christian education.

The Alberta advantages

The Alberta curriculum is globally recognized as one of the best learning systems in the world, with students consistently placing in the top tier of international rankings.

In 2018 Hong Kong ranked 4th worldwide with an average score of 530.7 in the international assessment, the Program for International Student Assessment (PISA) which assesses the reading, mathematics, and science literacy of 15-year-old students in 78 participating countries and economies every three years.

While nurturing students' competencies, it accords top priority to training them to become critical thinkers, and equipping them with an entrepreneurial spirit to make the world a better place for all.
