Happy Chinese New Year!

The Annual Lai See Donation Campaign returns and this year, it will help support the construction and completion of the Aquatic Centre – the final phase to the school campus expansion project.

Chinese New Year is the largest celebration in Chinese culture and Lai See giving is of great importance during this festival – it brings friends and families together and it is a symbol of blessing and giving to one another.

In the spirit of giving, we hope you will consider making a donation to mark this festive occasion. You can encourage your child(ren) to offer some of their Lai See money as a gift when you make a donation!

As we approach the last phase in the school campus expansion project, your support for the Annual Lai See Donation is more important than ever. The Aquatic Centre will offer a world-class facility to students on-site and significantly expand the school's extracurricular program – we cannot wait for students to dive into new experiences!

Join us to make a positive impact to the CAIS community.
